Installing VelociDrone and Downloading the Recruitment Track

- **To install VelociDrone go to the following link:**
  - **https://www.youtube.com/watch?v=iR86hFvre_A**

- **After successfully downloading VelociDrone software, log in at www.velocidrone.com**

- **Click your username (top right) and then click "Profile". Scroll down to activate content code. Enter the activation code (passcode) found on usarmydroneteam.onrender.com tab US Army Drone Team.***

  ***Note: The passcode will not be revealed unless you have applied. Ensure you use the callsign in your application as your nickname in VelociDrone. This will be how we correlate the users on the leader board to the applicants on the US Army Drone Team Webpage.**

- **Launch the VelociDrone App and the following Track Name should be available:**
  - **USADT Recruitment**

- Choose your 5" quad then select "Continue" and "Fly"

- **Practice to secure your fastest time! DO NOT SHARE THE PASSCODE WITH ANYONE. Sharing the passcode will result in application forfeiture of all parties involved.**
